DOUG APPLEGATE
Attorney / Father / Business-owner

AGE: 62

As a Marine Colonel serving around the world and a civilian trial attorney for nearly four decades, I have a proven record. After joining the Marine PLC months before Saigon fell, I chose to first become an infantry officer and later a Judge Advocate.

My business career and military duties span advising Marine commanders, defending & prosecuting war crimes, complex civil & criminal trials and a combat tour in Ramadi, Baghdad & Fallujah, retiring after 32 years active and reserve in 2006. I have lived and worked in this District since stationed at Camp Pendleton in 1981, with my family raising our three children.

I chose to volunteer to serve my country, the greatest on earth. We need new, positive leadership committed to integrity and public service in Congress willing to take big-money's influence out of our Government. I will fight to bring back American jobs that provide living wages & equal pay for equal work.

I have the experience to get us the best national defense and the best VA by asking the right questions, stopping endless wars & eliminating wasteful defense spending. I will demand comprehensive immigration reform that makes American employers part of the solution.

For me, true patriotism is not only about pledging allegiance. It is about serving our country however you can. Our duty is to keep America strong and working for all Americans. I ask for and would be honored to have your vote.

UNITED STATES HOUSE OF REPRESENTATIVES
49th District

DARRELL ISSA
United States Representative

I am committed to restoring accountability to our federal government and setting a new and better standard for the future. It is time to reform and repair the way Washington works.

Your tax dollars are not a slush fund for politicians to waste or special interests to spend.

That's why I led investigations targeting wrongdoing in government and the bad practices of the well-connected in corporate America. That's why I fought the Wall Street bailout and the coddling of big banks.

I authored legislation to dramatically cut the size of the federal workforce, slash red tape and repeal regulations that obstruct America's ability to create jobs at home and beat our competitors overseas. America's entrepreneurs and small businesses can compete and win anywhere, but not if our leaders compromise their hard work and impede their ingenuity.

We can no longer tolerate business as usual in Washington.

It is time for us to confront a federal government that is unresponsive to our needs and intrusive in our lives. It is unacceptable that the VA fails our veterans, our borders are not secure, and that so-called reforms are making healthcare more expensive.

There is a better way. We need to honor our traditional principles and advance new ideas that preserve our freedom and enhance our security.

It is the honor of my life to serve you in Congress and I appreciate your vote. For more information, please visit my website www.DarrellIssa.com or call my office at (760) 598-3535.

STATE ASSEMBLY
76th District

ROCKY CHAVEZ

Marine Colonel/Assemblymember

I am running for re-election because I care about continuing to improve our schools, protecting the average taxpayer, and keeping promises to our veterans.

Our children deserve a quality education that provides them with the tools and skill sets that they will need for success in the 21st century. Every child deserves a safe school with world class teachers. I will continue my fight to make certain that more dollars are spent in the classroom and not on overhead.

Before I was elected, I promised to protect Proposition 13 and never vote for a tax increase. I am proud to say that I have kept that promise. The Howard Jarvis Taxpayers Association gave me an "A" grade when it comes to protecting taxpayers. I have also taken the lead in opposing "job killer" legislation that drives jobs out of California. We need to create a positive business environment that is capable of creating long term job growth.

As a retired Marine Colonel I understand how our region has benefited by the presence of our military and its veterans. During my time in the State Assembly I have introduced legislation that streamlined the benefit application process for veterans and another that made going to college more affordable. I am proud that the American Legion named me their "Legislator of the Year".

If you honor me again with your vote I will continue to work to improve our schools, honor our veterans, and protect taxpayers. www.RockyChavez.com

PAUL WARE
Senior Attorney, Department of Justice

I was a Judge for 7 years in the United States Marine Corps where I presided over 600+ trials. My judicial philosophy is to faithfully apply the law as written, not making laws from the bench. I am not a political insider. My highest priorities are to defend the Constitution and ensure justice for all. I have the judicial experience and moral strength to hold the guilty accountable and the wisdom to apply compassion appropriately.

Retired Lieutenant Colonel; my service includes combat tours in the Gulf War and Iraq. As a Judge, I presided over some of the most complex trials including contested trials in a combat zone. I traveled throughout hostile areas in Iraq to ensure justice wherever a Judge was needed. I am currently a Senior Attorney in the Department of Justice.

Military decorations include: Legion of Merit, 2 Meritorious Service Medals, 2 Navy Commendation Medals, and Combat Action Ribbon. I am also an Eagle Boy Scout.

Education: University of San Diego (Law), University of Southern California (Bachelor's), University of Phoenix (Master's) and, National Judicial College (Certificate).

I am a Marine, a Family Man, a Man of Faith, and with your vote, I will be a Judge, again.
